ANNUAL REPORT 2021-22

Rev. Dr. V. Henry Jerome, S.J, Rector, St. Xavier's Institutions, Rev. Dr. Alphonse Manickam S.J., Secretary, Dr. B. Xavier Innocent, Deputy Principal, Respected Members of the Management, Vice-Principals, Deans, IQAC Directors, Heads of Departments, Learned Professors, Administrative Staff, Guests and Students! Reflecting on the contemporary situation, T. S. Eliot, one of the greatest writers of the twentieth Century, asks an important question in his poem "The Rock":

"Where is the knowledge we have lost in information?

Where is the wisdom we have lost in knowledge?

Where is the life we have lost in living?"

In these lines, T. S. Eliot foregrounds the fact that wisdom is more important than knowledge and information. Recent research shows that by 2050, the speed of life itself could pose a security challenge. In such a situation, St. Xavier's College aims to inculcate in students the significance of wisdom rather than mere knowledge and information through value-based education, which augments academic excellence along with interpersonal skills. Accordingly we revised our syllabus in June 2021, including the values of human life so that our students may become wiser and more compassionate as they begin their journey as "men and women for others". Jesuit vision encourages students to seek the Divine in all creatures and in every human experience with an emphasis on community service programmes.

Jesuit education, which insists on the journey from knowledge to wisdom, helps students become "citizens of the world." This oneness of humanity is one of the values on which St. Ignatius and his friends established the Society of Jesus in Montmartre in 1534. St. Ignatius understood the integral connection between knowing and acting, and hoped that the Jesuits and graduates of their schools would become "contemplatives in action." The phrase refers to women and men committed to the service of others and to a faith that upholds justice in the world. Grounded in a spirituality that seeks to "find God in all things," the pedagogical approach of Jesuit institutions emphasizes an individual agency, while contextualizing it within a broader search for the common good.

With this glorious vision, I stand before you on this occasion, in the eve of the commencement of the Centenary Celebrations of this institution, holding a deep sense of gratitude to Jesuit Fathers who established this institution with an aim of providing higher education to the poor and the marginalized sections of the society and the staff who worked with dedication and commitment. With that legitimate pride and satisfaction, I present this report which outlines the quality enhancement measures implemented in the academic year 2021-2022. "Youth for Greater Heights (MAGIS)" being the theme, all the curricular, extra-curricular and co-curricular activities of the academic year 2021-2022 aimed at realizing the vision of empowering the students and elevate them in all aspects of life.

SEMESTER RESULTS

The even semester examinations of Academic year 2020- 2021 were held from 28th April to 8th May 2021 and 15th June to 17th June 2021. Out of the 3852 students who wrote the exam, 3758 students passed with an overall pass percentage of 98%. The pass percentage of UG courses is 97% and PG courses is 99%. ODD semester November-2021 examinations were conducted from 1st February to 11th February 2022. 4093 students attended the exam, out of which 3826 students passed with an overall pass percentage of 93%. The pass percentage of UG courses is 93.02% and PG courses is 98.7%.

We express our sincere thanks to Dr. S. Athisayanathan, Controller of Examinations, for publishing the results promptly for the benefit of students. The cooperation extended by all the HoDs, Coordinators, Teaching and Non-Teaching Staff for conducting the examinations and the valuation process deserves our appreciation.

RESEARCH CENTRES

The quest for knowledge is the basic principle of research. In the fast changing global scenario, the role of research is significant for an educational institution like St. Xavier's College. The Research Centres in our college facilitate interaction among faculty, scholars, students and industry to enhance research opportunities, academic excellence, knowledge creation and dissemination of information through publication of books and journal articles, organizing seminars and conferences and extension activities. There are 18 Research Centres in our college under various departments. At present there are 90 Research Guides. 34 candidates defended their PhD thesis in the academic year 2021-22 and 43 candidates registered for their PhD. In total, 265 candidates are pursuing doctoral research at present.

We appreciate all the Directors of Research Centres and Research Guides for their research activities during 2021—2022.

XAVIER RESEARCH FOUNDATION

Xavier Research Foundation (XRF) is an initiative by the management of St. Xavier's College to promote interdisciplinary research, publication and extension activities. It is a research centre of eminence to promote cutting edge pursuits to solve problems of the people and to protect the environment. Four Scientists, two Emeritus Scientists, four project fellows and research scholars and a technician are working full time at XRF. XRF is recognized by the Manonmaniam Sundaranar University as an Interdisciplinary research centre.

Currently XRF is running three major projects related to Agro Tourism and Organic Agriculture and is promoting herbal gardens in schools in Tirunelveli District. XRF has developed some natural products to control insects and pests namely Xavier Hand Sanitizer, Xavier Disinfectant, Ponneem and Xavier Polyherbal Mixture.

XRF has submitted 27 complete Gene sequences to Genbank. It has published 29 papers and three books.

XRF helps many students refer to the SXC herbarium and utilize its facilities for their research. Digitalization of herbarium is in progress. The publication of the “Flora of Tirunelveli hills”, a dream project of Rev. Fr V.S Manickam, S.J., is continued. Volumes II and III are in press. Volume IV is under review. The first Volume was published in 2008 during the tenure of Rev. Fr Manickam, S.J.

XRF has received the following two patents in this academic year:

1. ‘A Process for the Isolation of a Novel Compound "Ignaciomycin" from Streptomyces Sp. Active Against’.
2. ‘A Compound (4r, 5s)-4-Acetoxy-7-Tigloyloxy Carvotanacetone with Antifungal Properties’.

RESEARCH GRANTS

The projects of our faculty members have received financial support from various funding agencies. In the academic year 2021- 2022, our staff members have received two minor projects to the tune of 73,500 and three major projects to the tune of Rs. 10, 70, 807. Department of Science and Technology (DST) has sanctioned “Fund for Improvement of S&T Infrastructure (FIST)” grant of Rs. 44,08,006.

Our students also have proved their worth in research. Three research scholars have received research grant to the tune of Rs. 3, 00, 000. We congratulate all the faculty members and students who contribute to the institution and society through their quality research work.

PEER-REVIEWED JOURNALS

Publication of quality research papers in peer-reviewed journals is an integral part of the academic discipline of the college. Research publications are crucial and essential in the prospect of an individual’s academic career. The following six peer-reviewed journals were published in 2021—2022.

1. *Folkloristics* (Ed. Dr. S. Ramachandran)
2. *Journal of Biopesticides* (Ed. Dr. K. Sahayaraj)
3. *Scientia Acta Xaveriana* (Ed. Dr. M. Baby Mariyatra)
4. *An Interdisciplinary Research Journal for Humanities* (Ed. Dr. D. Jockim)
5. *Xaverian Journal of Marketing* (Ed. Dr. A. Arockiadass)
6. *International Journal of Commerce and Management* (Ed. Rev. Dr. A. Michael John S.J.)

Our appreciation to the Editors and contributors for facilitating dissemination of research information.

PAPER PRESENTATION AND PUBLICATION

Publication of research articles keeps a teacher updated. It is the best way of sharing the new knowledge with others. Our faculty members have published 197 papers in various journals, out of which 56 are Scopus indexed. In addition to this, 22 faculty members have authored a book or contributed a chapter to a book.

IQAC ACTIVITIES

Quality is an ongoing process and not a one-time episode. National Assessment and Accreditation Council (NAAC) is the agency instituted by the Government of India to assess and accredit all higher educational institutions in the country. In all NAAC accreditations, we have received the highest grade. NAAC assessed and accredited our Institution at A⁺⁺ Grade with a CGPA of 3.66 out of 4 in IV cycle in August 2019. We have grown from strength to strength. The following are the quality enhancement activities of the IQAC in 2021- 2022:

ONE RUPEE A DAY SCHEME

One Rupee a Day Scheme is an innovative financial scheme of the college that makes the students of the college to contribute one rupee or more on every working Fridays and the accumulated amount is given to the poor and needy students and alumni of our college. This scheme represents a Good Samaritan gesture inside the institution and also to the society. This collected amount is deposited in the Bank with an account name "ONE RUPEE A DAY SCHEME". Generous contribution of Students towards this scheme caters to the needs of our own students who are unable to meet both ends, find it difficult to pay the tuition fees, medical expense and educational needs. The

total amount received in the academic year 2021-2022 is Rs. 92,281. Amount donated in the academic year is Rs.1,20,170.

BREAKFAST AND LUNCH SCHEME

Students who belong to the economically weaker section of the society suffer from lapses in concentration in classes because of the inability to get breakfast. Therefore, the free breakfast scheme for day-scholars, initiated with the help of a few philanthropists and members of the public, was launched by Prof. Dr. K. Pitchumani, Vice-Chancellor, Manonmaniam Sundaranar University, on 01.02.2021. At present 27 students of our college benefit from the scheme and 102 are provided lunch every day. This scheme will be expanded in the years to come so as to cater to the needs of the economically poor students.

PARENT- TEACHER MEETING

Parents should be involved in the education of their sons and daughters at all stages. Parent-Teacher meetings held in our college help the parents discuss the progress of their children with teachers and provide an opportunity to develop positive relationship. During the meetings, the Management and the Parents have interaction and the feedback from the parents is received. On February 23, 24, & 25, Parent- Teacher Meeting for I, II & III UG (Shift I & II) students was held. Parents meeting for I & II PG (Shift I & II) students was held on 01.03.2022 for both the shifts.

STUDENT TRAINING AND ACTION FOR NEIGHBOURHOOD DEVELOPMENT (STAND)

STAND, an outreach programme of our college, functions with the primary objective of inculcating in students a sense of social justice by exposing them to real life situations in small hamlets near Palayamkottai. The unprecedented spread of the malignant epidemic Covid 19 paralyzed the regular engagements of students in the rural villages as part of their total academic formation. However, STAND reached out to the villages and identified the most deserving and vulnerable people and prepared a list with the help of the leaders of the respective villages during June and July 2021. The academic year 2021-2022 witnessed an increased number of adopted villages to 32. The STAND Director and Coordinators visited the newly adopted villages Eduppall and Gandhinagar and interacted with the people on 17.07.2021.

- The Incubation Center which was activated in 2020-21 continues its activities during 2021-22 with vermin-compost. The center promotes green and healthy environment. The Center has produced and distributed over one tone of vermin-compost. The manure was used by the staff of the college and the management. Outsiders also availed of the manure. Over 20 varieties of herbal plants are being grown in pots and creepers over the green house.

- STAND conducted a webinar for all the Contact Staff of Shift I and Shift II on 01.07.2021.
- COVID-19 relief food materials worth Rs 1000/- were distributed to 639 families in all the 31 STAND villages covering a total of 1736 persons.
- On 25th September 2021, STAND conducted Online Orientation for Shift I and Shift II students. Shift II students attended the programme.
- A one-day village visit was arranged for both Shift I and Shift II final year students from 07.03.2022 to 12.03.2022. Besides interacting with village people, the students conducted social awareness rallies, sports activities, planted samplings, distributed Nilavembukashayam, organized eye-check-up, gave awareness speeches and performed cultural programs on selected themes for rural folk and students.
- The visit ended with group discussion with STAND coordinators. Total number of students visited the villages are 1326.

The dedicated work done by Rev. Dr. M. Elias S.J., Director, and his team deserve our appreciation.

CAMPUS MINISTRY

The College Campus Ministry functions effectively to promote the spiritual and the emotional well-being of the students. It provides opportunity for students to enhance their faith and spirituality and find greater meaning to their lives.

- A Catholic Scriptural Library was opened and Mercy prayer group logo was released on 21-12-21.
- Celebration of the Eucharist for Catholic students was arranged on 11-02-2022 and 04-03-22. At the same time Motivational Talks were arranged for non catholic students.
- On 2-03-22 Holy Eucharist Mass celebrating Ash Wednesday was arranged for all the catholic staff and students.
- Special campus Lenten confession for all the Catholic staff and students was held on 24 - 03-2021.
- One day retreat was conducted for all the Catholic students as well as for the staff. Students were encouraged to participate in various other retreats and conventions.

We thank Rev. Fr. M. Vincent Irudhayaraj S.J., Director, and his team for organizing all these programmes.

SERVICE ORGANIZATIONS

Cicero, a Roman statesman and philosopher, says: "Non robus solum nati sumus" which means "Not for ourselves alone we are born". Community service gives us a valuable opportunity to add meaning to life. The Service organizations in our college help students understand themselves in relation to their community and develop a sense of social and civic responsibility. Students develop competence required for group-living and gain skills in mobilizing community participation. It is my

duty to thank NSS Programme Officers Mrs. J. Margaret Sangeetha (Unit 31), Dr. R. Santha Kumari (Unit 32), Dr. A. John Paul (Unit 34), Dr. S. David Appathurai (Unit 150) and Dr. A. Murugan (Unit 175); Unnat Bharat Abhiyan (UBA) Coordinator Dr. R. Princee; NCC Officer Dr. Lt. S. Kanthan; AICUF Advisor Rev. Dr. A. Ignacy S.J.; AAVE Coordinator Rev. Fr. V. Lawrence Benadict S.J.; Coordinator of St. Vincent de Paul Society Dr. Y. Jaya VinseRuban; Coordinator of YRC, BDC & RRC Dr. K. S. Arockiasamy; Coordinator of Consumer Forum Dr.C.Mahimai Arul Ignatius; Coordinator of Enviro Club Dr. M. Johnson Gritto; Coordinator of Democracy Forum Dr. R. Antony Raj; MAGIS Club Convenor Rev. D. M. Elias S.J., Quiz Club Coordinator Dr. J. Antony Sahaya Sophia; SC/ST Cell Coordinator Rev. Dr. Arul Ravi S.J. and all the students for the excellent work done during the academic year 2021—2022.

In the World Forest Day competitions on 21.03.2022 organized by the Enviro club, SXC, M. Subalakshmi (II BSc) and G. Alagu Parvathi (II BSc) won the third prize in quiz, R. Mahalakshmi second prize in essay writing and D. Aarthi (II BSc) second prize in painting.

An International Conference on ‘Recent Trends in Aquaculture’ was organized on 25.03.2022 in blended mode. Among the 250 delegates, 100 attended online and 150 offline respectively. All I MSc and II MSc students participated. Dr. A. Palavesam, UGC-BSR Faculty Fellow, Manonmaniam Sundaranar University, delivered the keynote address and there were 6 plenary lectures from reputed scientists. Joshua Arul Rocco (I BSc) received Rev. Fr. Foreau, S.J. award for the best poster presentation.

In the “ZOOFEST 2022” organized by Chimera association, Dept of Animal Science, Manonmaniam Sundaranar University on 30.03.2022, K. Vashiha (II BSc) won the first place in turncoat, M. Prathicksha (III BSc) first in art from waste, R. Ancy (III BSc) second in art from waste, Adan (II BSc) second in elocution, . Subalakshmi (II BSc) and G. Alagu Parvathi (II BSc) second in quiz and D. Revathy (III BSc) second in photography. Sixteen of II BSc and III BSc students

participated in the NSS camp of NSS Unit No. 32 for a week from 25.03.2022 to 31.03.2022 in Kadambangulam – Moolakaraipatti Town Panchayat.

The Dr. Dunston P. Ambrose endowment lecture was organized on 06.04.2022 for the final years. Dr M. Muniaraj, Scientist E and Head, Department of Microbiology, ICMR – Vector Control Research Center, Madurai was the guest speaker. He addressed the students on the recent developments in vector control with special focus on mosquito control measures.

For 5 days, from 19.04.2022 to 23.04.2022, 10 of II BSc students underwent an internship program in Tirunelveli Government Museum where they learnt techniques involved in the collection and preservation of specimens and maintenance of historical monuments.

The department conducted an online quiz on 25.03.2022 in view of the World Malaria Day. Around 50 participants attended the quiz and received e-certificates.

Two of our II BSc students participated in a 10-day annual training camp organized by the NCC of St. Xavier's College from 20.04.2022 to 29.04.2022. On 04.05.2022, students of II MSc were taken on an educational visit to Rajan Aqua Farm, Sakkammalpuram, Central Marine Fisheries Research Institute, Tuticorin Regional Station and TN Fisheries College and Research Institute, Tuticorin to understand the culture and breeding techniques of aquatic organisms.

A MoU was signed between Rajan Aqua Farm and St. Xavier's College.

ZOOFEST 2022, a state level intercollegiate competition was conducted on 06.05.2022. Participants of various colleges from Kanyakumari, Tirunelveli and Tuticorin participated in elocution, essay writing, model making, poster making, specimen collection, paper presentation and quiz competitions. Sarah Tucker College won the overall rolling trophy of the year.

The association valediction was held on 13.05.2022. Rev. Dr. Arul Ravi, S.J., the Vice Principal, gave the valedictory address and Dr. Joelri Michael Raj, Head, Department of Botany gave a special talk on 'Molecular Systematics'.

The Zoology Alumni meet for 1989 batch of PG students was organized in Fr. Miranda Hall, retired professors and alumni participated in the Meeting.

DEPARTMENT OF MBA

The Academic Year 2021-2022 has been configured with the best of events. After continuous training on a daily basis, The Learning Academy which acts as a catalyst to Placement Process was validated with variety elements like Skit, Debate, Extempore and Rhetoric Competitions.

This Decennial year XIBATE was a Duo with both virtual and physical arrangement. Around 145 MBA students from different institutions participated in the Virtual XIBATE. 120 Graduates

belonging to different streams visited XIBA for the 'On Campus XIBATE. Leaders Connect' which was titled Corporate Governance at Business Schools was held on 1st October 2022. envisaged the Business School Administration Challenges from the governance and Pedagogical methods being deployed in Institutions. Dr.Selvalakshmi, Principal Thiagarajar School of Management Madurai and Mr.Antony Thomas, Managing Director and Country Head Jacobi Carbons, Pvt Ltd were the speakers

The International Virtual Conference on "FINTECH REVOLUTION" by XAIMA, the Finance Club of XIBA was conducted on 30th March, 2022. Mr. A. DEPARTMENT OF LIBRARY

College Library has raised its stack up to 127341. Library continues its service to the staff, students and the research scholars. College library has renewed its membership in DELNET services and the INFLIBNET - N-List access. The Department of Library has also taken efforts to improve the infrastructure in the College Library in this academic year. The RFID technology is extended to PG research section reference also. Our library also functions as one of the research centers of the College. To access the e-resources and open resources, the department has standalone Wi-Fi facilities to the students and research scholars. Fr. Principal sanctioned Rs. 20,000 for the science departments except the department of zoology from the Project No. SR/FST/College -2017/95 to purchase books in this academic year. Rotary Club of Tirunelveli has donated 260 Books to College Library in various subjects. However, all the Journals are renewed with the help from the management grants. Library is also continuing the facility of WEB-OPAC and it can be accessed by the users and public from the College Website stxavierstn.edu.in at 24 x 7. Electronic Resource Management Package for e-journals provides the accessibility to e-resources through Digital Library of our college with the open sources which is available at www.sxclibrary.wordpress.com.

The library best user award was given to Mr. V. SAHINDAR . (Reg.No. 20PPH513) and Miss. S. VANI GANAPATHY. (Reg.No.19CSC24). Both of them will get the merit certificate with a cash price from the retired administrative staff endowment instituted by Mr. V. Xavier.

Dr. V. Henry Jerome S.J., Rector, St. Xavier's institutions Palayamkottai, inaugurated the badminton tournament.

ACHIEVEMENTS OF MSU INTER-COLLEGIATE TOURNAMENT 2021-22

Once College teams won prizes in the following events organized by Manonmaniam Sundaranar University, 2021-2022. The College Men badminton team and Men Table Tennis Team won Second place. Women badminton team, Men Tennis Team and Women Chess team secured Third place. Men Chess team secured Fourth place. In the Manonmaniam Sundaranar University Inter Collegiate Tournament 7 of our players represented MS university teams. Our college athletes R. Mahendran (20UEN640) won 1st place in Javelin throw and K. Nithya (21UCO112) secured 3rd place in Discus throw in the MS University 31st Inter Collegiate Athletic Meet held at Anna Stadium from 17th to 19th December 2022.

Overall Championship (Men)

- **Winner:** Department of Economics
- **Runner-up:** Department of English (Shift-II)

Overall Championship (Women)

- **Winner:** Department of Economics
- **Runner-up:** Department of Commerce (Shift-I)

OTHER ACHIEVEMENTS

- **Men Kabaddi** team won Second place in the State Level Open Kabaddi Tournament held at Vallanadu on 26th & 27th February 2022 and also won Second place in the state level open Kabaddi tournament held at Puliyankulam, Sathankulam Taluk from 5th to 7th March 2022.
- **Basketball** players **L. M. Nathiya** (21UEC121) I-Year Economics, **S. Benaiah** (21UCH126) I-Year Chemistry, **M. Esakkimuthu** (21UMA144) I-Year Mathematics (Shift-I) and **M. Esakki Raja** (21UTA533) I-Year Tamil (Shift-II) were selected for Tirunelveli District Basketball Team Under-18 categories and also participated in the Inter District Basketball Tournament held at Kamaraj College of Engineering & Technology, Virudhunagar from 08th to 10th October 2021.

- **J. Jency** (20UEN138) II-Year B.A. English (Shift-I) Won 1st Place in Free-hand fight and One-stick fight and 3rd place in Individual trace in the State Level Silambam Adimurai Tournament held at Sowdambika Engineering College, Aruppukkottai from 15th to 17th October 2021.
- **J. Jency** (20UEN138) II-Year B.A. English (Shift-I) won 1st place in Erattai Kambu Veechu and **J. Cristiba** (20UEN135) II-Year B.A. English (Shift-I) won 2nd place in Erattai Surul Vaal Veechu in the State Level Silambam tournament held at Kanyakumari from 26th to 28th January 2021.
- **J. Jency** (20UEN138) II-Year B.A. English (Shift-I) won Gold medal in Erattai Kambu Veechu and **J. Cristiba** (20UEN135) II-Year B.A. English (Shift-I) won Bronze medal in Erattai Surul Vaal Veechu in the **National Level Silambam Tournament** held at Kanyakumari on 2nd & 3rd March 2022.

REPORT OF THE RESEARCH CENTRES

CENTRE FOR AQUACULTURE RESEARCH AND EXTENSION (CARE)

CARE is working in diverse research areas of aquaculture including aquatic biodiversity, aquaponics, aquatic toxicology, fish nutrition and feed formulation technology, fish pathology, genetics, water quality, aquatic biotechnology, fish histology, recent trends in probiotics like fish gut probiotics, water probiotics, and discovery of drugs using bacterial secondary metabolites (compounds). Currently studies are being carried out for the treatment and management of fish diseases and enhancing growth rate in both large scale and small scale aquafarms. Additional importance is given to develop culture and breeding of ornamental fishes from the beginning of this year 2022. In this academic year, three students registered Ph. D. and one scholar submitted his thesis. S. Muthukrishnan presented a paper titled “Antibacterial activity of endophytic bacteria isolated from the root nodules of *Nelumbo nucifera* against fish pathogens” and P. Balagangatharan presented a poster titled “A study of antibacterial activity of *Indegofera glandulosa* (J.C. Wendl) against selected fish pathogens” in “International Conference on Recent Trends in Aquaculture” held at Department of Zoology, St. Xavier College (Autonomous), Palayamkottai on 25th March 2022. R. Ramkumar attended a Crystal growth centre hands and workshop held at Anna university, Chennai on 21.03.2022 to 25.03.2022. M.Karthick attended advance course in parataxonomy under the green skill development programme (GSDP) of the ministry of environment, Forest and climate change, Government of India, New Delhi jointly organised by the Department of environment and Government of Tamil Nadu in the Department of Botany, Madras Christian college (Autonomous), Tambaram, Chennai from 31st January 2022 to 26th March 2022. Totally 8 research articles have been published in UGC approved and Scopus indexed journals.

ENTOMOLOGY RESEARCH UNIT

Entomology Research Unit (ERU), Department of Zoology, St. Xavier’s College (Autonomous), Palayamkottai under the leadership of Dr.P.Selvaraj and Dr.T.Pushpanathan continues research and extension activities of the research unit. In total 4 research scholars are doing their Ph.D. under the guidance of Dr. P. Selvaraj and 3 research scholars are doing their Ph.D. under the guidance of Dr.T. Pushpanathan.

Dr.P.Selvaraj and Dr.T.Pushpanathan participated in online webinars namely, National webinar on “Fresh water faunal diversity in India” and “Marine environments: Diversity, threats and opportunities” conducted by the Department of Zoology, St.Xavier’s College (Autonomous), Palayamkottai on 03.08.2021 and the International conference on “Recent trends in Aquaculture” conducted by the Department of Zoology, St.Xavier’s College, Palayamkottai on 25.02.2022.

Current research in the ERU: Under the guidance of Dr. P. Selvaraj, Mr. M. Madasamy (co-guided scholar) submitted his Ph.D. dissertation to the Manonmaniam Sundaranar University; Ms. J. Princy Rathnamala Jayaseeli is pursuing doctoral research on Control of *Spodopteralitura* using Phytoecdysones from ferns with TNSCST Student Project grant of Rs.3,00,000; Mr.J.Sherlin John is pursuing his research on molecular and classical taxonomy of Reduviidae and Sr.M.Velankanny is pursuing her research on exploration of new Entomopathogenic fungi for cotton pest management. Under the guidance of Dr. T.Pushpanathan, Ms.Selvarani and Ms.G.Sumathi (CSIR-NETJRF) are doing their research on Insect vector control using phytochemicals. The scholars at ERU participated in 8 national and international conferences and presented 9 papers. In addition UG & PG students are doing their projects in antibacterial properties of *Piperbetel* and phytochemical insecticide toxicity.

CENTRE FOR BIODIVERSITY AND BIOTECHNOLOGY (CBB) / XRF

Xavier Research Foundation (XRF) is one of the novel initiatives of St Xavier's College management to promote interdisciplinary research, publication and extension activities. It is a research center of eminence to promote cutting edge pursuits to solve peoples' problems and to protect the environment. Four Scientists, two Emeritus Scientists, four project fellows and research scholars and a technician are working full time at XRF. XRF is recognized by M.S. University as Interdisciplinary research centre. (MSU/RES/R4/IRC/2021)

Currently XRF is running three major projects related to Agro Tourism, Organic Agriculture and is promoting herbal gardens in schools in Tirunelveli District. XRF has developed some natural products to control insects and pests.

XRF has submitted 27 complete Gene sequences to Genbank. XRF has published 29 papers, 2 Granted Patents and three books.

XRF is helping many students to refer to the SXC herbarium and to utilize its facilities for their research. Digitalization of herbarium is in progress. The publication of the 'Flora of Tirunelveli hills', a dream project of Fr V.S Manickam, S.J., is being continued. Volumes II and III are in press. Volume IV is under review. The first Volume was already published in 2008 when Fr Manickam was alive.

CENTRE FOR PLANT BIOTECHNOLOGY (CPB)

Centre for Plant Biotechnology (CPB) is currently focusing its attention on the *Ex situ* conservation of rare and endangered ferns of the Western Ghats, India, phytochemical, histochemical, molecular characterization of Pteridophytes. Our scholars have participated in two webinars and one workshop on "DNA Barcoding of Plants from 20th - 22nd April, 2022 organized by Department of Genetic

Engineering, College of Engineering and Technology, SRM-IST, Chennai. Our scholars have presented ten research papers in the National Conference on “Advances in Biological Sciences” at V. O.C. College, Thoothukudi on 30th March, 2022. Six research papers have been published in the International journals (Scopus) during this academic year. At present four research scholars have been pursuing their doctoral. Mr. Manivannan has submitted his PhD thesis.

CROP PROTECTION RESEARCH CENTRE (CPRC)

Our Crop Protection Research Center (CPRC) has been trooping forward in its research activities aiming to controll pestiferous insects of crops and human vector through botanical insecticides. Furthermore, nimbicidal and microbicidal activities of few marine macroalgae were recorded. Department of Biotechnology (DBT) of Ministry of Science and Technology, Govt. of India has selected Dr. K. Sahayaraj as “Screening (cum review) Committee Member” of Star College Scheme. Dr. K. Sahayaraj attended the Star College Screening Committee Meeting at Department of Biotechnology, Ministry of Science and Technology, New Delhi (online). He also delivered a special lecture on Novel Biopesticides for Crop Protection at Department of Botany, Jamal Mohamed College, and Tiruchirappalli on March 10, 2022. He has published research article in association with his colleagues. Research scholar, G. Petchidurai has participated a two-day International E - Conference, one-day Webinar (02), and seven-day online lecture series. K. Madasamy, Ms. G. Pon Malar and Ms. ShriramMuthu have presented a paper each in an international conference on “Applied Biology for Sustainable Development (ABSD)” organized by the PG Department of Zoology and Research Centre, Sri Prasakshi College for Women, Coutallam on 21.03. 2022&22.03.2022. Ms. G. Pon Malar has participated one day webinar and seven-day online lecture series too. Ms. ShriramMuthu has participated three online webinars and won a best paper presented award at ABSD international conference. A full-time scholar, Mrs. Geo Vigilasuccessfully defended her Ph.D. thesis and expecting the award of degree. Mr. M. Madasamy, full time research scholar submitted his Ph.D. thesis on Bio-nanoparticles for Cotton Mealybug Management. Two full-time research scholars Mr. G. Petchidurai and Mr. K. Madasamy are currently pursuing their research.

CENTRE FOR ADVANCED RESEARCH IN PLANT SCIENCES (CARPS)

The Centre for Advanced Research in Plant Sciences (CARPS) was established on 06.04.2013 by Rev. Dr. A. Joseph, S.J., the former Principal, St. Xavier’s College (Autonomous), Palayamkottai with the mission to promote the advance progress in the field of Plant Sciences. A space was provided and blessed by Rev. Dr. Antonysamy S.J. the Secretary, St. Xavier’s College (Autonomous),

Palayamkottai on 19.01.2017. Dr. J. John Peter Paul, Assistant Professor of Botany is the Director of CARPS who concentrates on Recent Trends in Plants Sciences. Currently a Major Research Project sanctioned by Science and Engineering Research Board (SERB), Department of Science and Technology (DST), New Delhi entitled "Screening of Biochemical and Molecular diversity of the selected brown algae" was completed in the month of January, 2022. Mr. G. Ponnudurai has submitted his Ph.D., thesis to Manonmaniam Sundaranar University.

Mr. E. Fredrick Raja and Ms. P. Anusathya Priya are currently pursuing their research Ph.D., thesis. Ms. M. Athi Lakshmi is pursuing her research on Molecular biological and phytochemical diversity of marine macro algae. Totally 3 research articles were published in UGC approved International research Journals in the academic year 2021-2022. The Director and the research scholars of CARPS have participated and published 9 research articles in various national and international conferences/symposia/workshops organized by Amity Institute of Marine Science and Technology, Uttarpradesh, IAZ and Maharishi Markendeshwar (Deemed to be University) Mullana-Ambala (Haryana), Selvam Arts and Science College (Autonomous), Namakkal, V. O. Chidambaram College, Thoothukudi and K. S. Rangasamy College of Arts and Science (Autonomous), Salem. Mr. E. Fredrick Raja won the third prize for the Best Oral Presentation Award from Amity Institute of Marine Science and Technology, Uttarpradesh.

Dr. J. John Peter Paul serves as editorial board member for the following research journals, Bulletin of Environment, Pharmacology and Life Sciences, International Journal of Pharmaceutical Research and Bio-Science, International Journal of Advanced Research in Biological Sciences, Advanced Journal of Pharmacie and Life Science Research, International Journal of Research in Science and Technology, International Journal of Universal Science and Engineering, American Journal of Pharmacology and Pharmacotherapeutics, International Journal of Nanobiotechnology and International Journal of Molecular Biotechnology. He also acts as reviewer for the International Journal of British Biomedical Bulletin.

PLANT MOLECULAR BIOLOGY RESEARCH UNIT

The Plant Molecular Biology Research Unit was established in 2001 with the view to promote Molecular Biology research in plants. In the academic year of 2021-22, one full time scholar Mrs. Raja Glenn was awarded with a Ph. D., and one research scholar Ms. A. Antony Slevi submitted her Ph.D. thesis on? The research unit has completed one major research project (Rs. 30 Lakh) sponsored by DST-SERB. It has published six research articles in national and International Journals. The Research Scholars of the centre participated in ten webinars, workshops and training programmes in

this academic year through online and offline mode. More than eight research articles were presented in national and international conferences. Two full time research scholars registered for the doctoral studies. Five research articles were communicated for publication in reputed journals.

MATERIALS RESEARCH CENTRE

Materials Research Centre is an extended research unit of the Physics department. This centre supports and coordinates research in the fields of crystal development and characterisation, nanomaterials, polymer science, and the influence of irradiation on solids. Our research centre facilities are used by our college research scholars and scholars from other college on the basis of free cost through proper channel. Energy meter Assembled temperature reduction method (micro controlled based) is used by Research Scholars who are doing research in crystal growth, nano science and polymer. At present Mr. P Ajith, Ms. J. Agnes, Mr. M. Sappani Muthu and Mr. A. Carroll Xavier are pursuing their research. Dr. Ravi, Director, Crystal Research Centre, Alagappa University, Karaikudi, visited our research centre and highlighted the important aspects in growing efficient NLO crystals and he gave suggestions to improve the research activities in the field of crystal growth and polymers. In this current academic year we have purchased new and essential equipments such as stirrer and microwave oven. The above mentioned equipments play a vital role to carry out research work in the field of nano science with great interest. By utilizing these instruments Nano Particles were prepared and characterization Studies were done. Research Scholars involve in research enthusiastically under the guidance of Dr. D. Prem Anand, Ajith. P a Research Scholar is doing his research entitled, "Solvothormal Synthesis and characterization of selenium decorated reduced grapheme oxide assisted transition metal oxide for oxygen reduction reaction". He has published 11 articles in the UGC CARE listed journal. Agnes. J a research scholar is doing her research entitled, "Solvothormal Synthesis of mesostructural chitosan coated metal oxide nanoparticles and its future modification with folic acid for improving targeted drug delivery". She has published two articles in the UGC CARE listed journal. Sappani Muthu. M a research scholar is doing her research entitled, "Hydrothermal synthesis and characterization studies and metal oxide nanoparticles and grapheme oxide composite material / super capacitor application". He has published 11 articles in the UGC CARE listed journal. Carroll Xavier. A, research Scholar is doing his research entitled, "Preperation of Silica tin nanotubes from different rice husks by solvothormal method - characterization and it's photo catalytic activity". He has published an article in the UGC CARE listed journal.

FOLKLORE RESOURCES AND RESEARCH CENTRE (FRRC)

Digitization of Palm-leaf Manuscripts: In collaboration with Department of Archaeology, Chennai, FRRC has digitized the rare palm leaf manuscripts. The digitized manuscripts will be made available in the TVA website.

MoU with Sri Ramasamy Naidu Memorial College, Sattur: FRRC signed a Memorandum of Understanding with Sri Ramasamy Naidu Memorial College, Sattur, Virudhunagar District, for academic collaborations between the two institutions.

Vadaiyum Kodaiyum Book Release: FRRC published a book titled, *Vadaiyum Kodaiyum: Marapuvazhi meenpiti thozhil nutpankal* by S. P. Anthonysamy. Dr. N. Ramachandran, Director, FRRC, presided over the book release ceremony. While Rev. Dr. Henry Jerome S.J., Rector, St. Xavier's Institutions, released the book, Dr. A. Dhananjayan, former Head and Associate Professor, PG & Research Department of Folklore, SXC, received the same. Rev. Dr. S. Mariadoss, S.J., Principal, SXC, blessed the event. S. P. Anthonysamy, author of the book, delivered authorial address. Earlier, Dr. M. Peter Arockiaraj, Assistant Professor, PG & Research Department of Folklore, SXC, welcomed the gathering while Dr. S. Karmegam, Assistant Professor, PG & Research Department of Folklore, SXC, gave the vote of thanks at the end.

Perasiriyar Na. Vanamamalai Karkai Vattam (Prof. Na. Vanamamalai Reading Circle): In 2021, FRRC started an informal reading circle with a purpose of initiating debates, sharpening and enriching critical thinking among research scholars and students. On May 5, 2022, FRRC has inaugurated Perasiriyar Na. Vanamamalai Karkai Vattam. Mr. Pon. Mariyappan, Saloon Librarian, Thoothukudi, gave the inaugural address sharing his reading experiences. In the second event held on May 11, 2022, I MA student, V. Deivanayagan, presented the review of the book, *Thamizhaga Vannarkal: Varalaru: Vazhakkarakalum* by A. Sivasubramanian.

Digitization of Audio – Visual Materials: In collaboration with the Tamil Nadu Virtual Academy, Chennai, FRRC is in the process of digitizing the audio – visual materials preserved in the FRRC Archives. A MoU is signed between the two organizations in this regard.

ENTREPRENEURIAL DEVELOPMENT AND RESEARCH CENTRE (EDRC)

The EDRC of PG and Research Department of Commerce conducted an Online Training Programme on “Start – Ups: Ideation and Proposal Making” on 27.01.2022. Dr. N. Manikandan, Associate Professor, Department of Management Studies, PSR Engineering College, Sivakasi and Dr. SubathraChelladurai, Associate Professor of Commerce, Pioneer Kumarasamy College, Nagercoil were the resource persons of the program. Around 200 students participated the program.

COMPUTER SCIENCE RESEARCH CENTRE

The Computer Science research centre was established in the year 2009 as the first research centre among the affiliated colleges of the Manonmaniam Sundaranar University, Tirunelveli. There are twenty six research scholars working on their Ph.D. degree. In this academic year 2021-22, three candidates have been awarded Ph.D. through our research centre under the guidance of Dr.S.John Peter and Dr. M.Safish Mary. All the faculty members in the department are guiding research scholars for Ph.D degree. There were nineteen doctoral committee meetings held in our Research centre. Four research scholars have submitted their thesis.

A National Webinar on “Research Trends in Machine Learning” was conducted by Dr.D.Peter Augustine, Professor of Computer Science, Christ University, and Bangalore on 28-07-2021. A Seminar on ‘Machine Learning’ was held on 7thDecember 2021. Er. A.Joe Silvan Beno, Data Scientist, BCT Global was invited as the Resource Person.

ENGLISH RESEARCH CENTRE

English Research Centre has been an academically active hub of learning since its very inception in the year 2011. There are six Research Guides in the department and eighteen scholars are perusing Doctoral research in the academic year 2021-22. Eight are full time scholars and ten are part-time scholars. The Research Centre was renewed on 1st of August. During this academic year, four research scholars under the guidance of Dr. D. Jockim were awarded their PhD degree. A full-time scholar and a part time scholar, under the guidance of Dr. R. Princee, got enrolled.

MATHEMATICS RESEARCH CENTRE

Capacity development and skills enhancement activities are organized for improving scholar’s capability Soft skills, Language and communication skills by allowing scholars to take seminar for P.G students. Mrs. S.Subbulakshmi has given a seminar presentation entitled “Introduction to Fuzzy Sets” on 21.02.22.Fr. I.Divyanandamhas given a seminar presentation entitled “Monophonic pebbling number of some algebraic graphs”on 18.04.2022.Sr. S.Kitheriammalhas given a seminar presentation entitled “Monophonic pebbling number of some standard graphs” on 18.04.2022. Miss. R. Lakshmi Priyahas given a seminar presentation entitled “Pebbling number and t- Pebbling number of some complete graphs using complete product and corona product” on 20.04.2022.Miss. F. Joy Beaulahas given a seminar presentation entitled “Various Concepts in Graph Labeling”on 20.04.2022. Miss. Prisci presented a seminar entitled “Metric dimension of zero divisor graphs”on 18.04.2021 and Mrs. S.Valarmathihahas given a seminar presentation entitled “zero divisor graph of a lattice” on 02.05.2022.

This year 8 scholars were awarded Ph.D. Mrs. J. Jenifer Steffi defended her thesis on 18.10.21, Mrs. S. Jenifer Wincy defended her thesis on 04.10.21 and Mrs. S. Saratha Nellainayaki defended her thesis on 30.03.2022. Mrs. E. Esai Arasi defended her thesis on 20.12.2021. Mrs. J. Joan Princy defended her thesis on 06.01.2022. Mrs. P. Siva Ananthi defended her thesis on 07.01.2022. Mrs. M. Shanthi defended her thesis on 14.02.2022 and Mrs. V. Anni Vetha Joeshi defended her thesis on 16.03.2022.

This year 30 papers were published in various national and international reputed journals and 10 papers were presented in the conference proceedings by our scholars and their guide. The National Web Conference on Recent Trends in Graph Theory was conducted on 12.07.2021. Two days State Level Endowment Workshop on ICT Tools for Smart Teaching and Learning was conducted on 30.03.22 & 01.04.22.

PHYSICS RESEARCH CENTRE

The Physics research centre was established in the year 2007. Physics research centre has created a well defined system to promote research. Exclusive research centre such as Materials research centre, Crystal growth lab and Energy research centre are the department level research units to support the research scholars of the college are the examples of the systems. At present nearly 30 research scholars work under 10 research supervisors in different disciplines. A research project from TNSCST at a tune of Rs. 7500/- was sanctioned to Dr. R. Mary Jenila during the academic year 2021-2022. Dr. R. Mary Jenila has published 6 research papers in leading national and international journals. These Research findings from the project undertaken are translated to the benefit of common people. The physics research centre was made available to all the PG students at all levels whether they have any project of their own or intern to do. The physics research centre has purchased an electrochemical work station at a cost of Rs.8,00,000/- to carry out research on linear cyclic voltametric analysis for nanomaterials from the management grant of St. Xavier's College, Palayamkottai. Dr. S. Anna Venus is the scientist incharge for the electrochemical workstation. Dr. R Mary Jenila has filed a patent and obtained the patent on nanomaterials for thermal indicators. Dr. B. Helina is working in crystal growth, polymers and nanomaterials. Dr. V. Sivasankar is carrying out his research in the field of crystal growth for opto electronics and laser applications. Dr. S.G. Rejith is carrying out his research on the synthesis and applications of nanomaterials. At present he is guiding 3 research scholars. Dr. M. Augustine's field of research is on novel nanomaterials for photocatalytic applications. Dr. S. Aron Rabi's current field of research is crystal growth. At present he is guiding 4 PG students for the project. Dr. D.E. Jain Ruth, Dr .L. Antony Selvam are guiding 3 PG students each for their project. Prof. R. Christhuraja is guiding 3 students for their projects.

CHEMISTRY RESEARCH CENTRE

The Chemistry Department was promoted to the level of research centre in the year 2011. The research center is equipped with rotary vacuum distillator, UV-Vis spectrophotometer, FT-IR spectrophotometer, cyclic voltameter, Flash photometer and guoy balance. The important research fields concentrated by the department are phytochemistry, electro organic chemistry, nano chemistry, polymer chemistry, green chemistry, supramolecular chemistry and adsorption studies. At present the research center has seven recognized research guides. Fourteen research scholars are working for their PhD under different guides. In this academic year Mr. U. Jeyapaul, and Mr. Vijayakumarare working under the guidance of Dr. S. Mary Jelastin Kala and Mr. M. Sabu is working under Dr. Y. Jaya Vinse Ruban have successfully defended their thesis. Totally thirteen research papers have been published in reputed international journals in this academic year.

VECTOR BIOLOGY AND PHARMACOLOGY RESEARCH CENTRE

Centre for Vector Biology and Pharmacology was established in 2017. The unit focuses on Insect immunology, Pharmacology and vector biology. The ongoing research works are Silkworm in *Bombyx mori*(L) at the Biochemical and Immunity Studies, Aquatic Insect Diversity, Phytochemical and Pharmacological Studies and Vector bon Diseases in Mosquito Repellent act in Medicinal Plants. The lab has 5scholars currently pursuingtheir research the field of sericulture, Aquatic biodiversity, Fresh water crabs, pharmacological activities of plant extract and assessment of wetland bird diversity. There were 7 research papers published in peer-reviewed journals.

The following are the programmes attended by the scholars of this lab

- ❖ International conference entitled Electrochemistry: The future codes of Energy conversion science and Technology, at KMC College of Arts and Science, Gudiyattam, Tamilnadu, Indian on 18/07/2021.
- ❖ Certificate of presentation in the National conference on Biodiversity conservation 28th July to 30th July in 2021 organized by Department of Botany LalgrahGovt College, Jbargram, West Bengal.
- ❖ ENDEV-(1) :10 webinar on studies on Allopathic interactions of some invasive weeds of Deccan plateau Department of Botany, AbasabebGarwre College, karveroad, pune in organization on 5th june 2021.
- ❖ National level of E-Quiz competition on world Biofuel Day -2021 in 09/08/2021 Organized by Department of Biotechnology in internal quality assurance cell of Guru Nanak College, Velachery, Chennai.

- ❖ National webinar on "The Dynamic Sun" Organized by 16th August 2021-Research Department of physics St. Xavier's college, Palayamkottai.
- ❖ Three day faculty Development program me on "challenges in micro biological invention and intellectual property rights" Organized by the department of micro biology in association with the IQAC from 23-09-21 to 25-09-21 under UGC, par marsh scheme.
- ❖ International virtual conference on Biological innovations and computational exploration for pandemic challenges (BICPA'22) 24th and 25th February 2022 sponsored by Department of Biotechnology, council of scientific and Industrial Research ministry of science & technology Government of India.
- ❖ National symposium on "Recent Trends and Advances in Biology", Organized by Department of zoology, Sri Paramakalyani College on 03/03/2022 and presented a paper on correlation of Haemocyte counts with different development parameters in life cycle on *Bombyxmori* (L). In this won best paper award.
- ❖ Sixth national Conference on siddha medicine for All Ages as a delegate organized by friends of siddha medicine and Xavier's Research foundation held at St. Xavier's College, Palayamkottai on 19th-20th March, 2022.
- ❖ Workshop on "Training in Commercial farming of Spirulina its value addition" (Sponsored by DST SERB-TARE Project) Which is organised by Department of Botany, PasumponMuthuralingaThevar College, Melaneelithanallur, sankarankoil, Tenkasi, Tamilnadu, India during the 16th and 17th March 2022.
- ❖ International conference on Recent Trends in Aquaculture (ICRTA-2022) organized by Department of zoology, St. Xavier's college, Palayamkottai on 25th March 2022.
- ❖ One week National level webinar on NET, SET, GATE, DBT, ICMR, ASRB and Others competitive Examinational in life sciences organized by Department of zoology, Balwant College, sangli, India from Monday 18th April to Saturday 23rd April 2022.

COMMERCE RESEARCH CENTRE

The Commerce Research Center of St. Xavier's College, Palayamkottai always aims at encouraging the Research Scholars to have a closer outlook towards the changes in social, cultural, industrial, economic, technological and environmental aspects of life. Conducting Pre-Ph.D. examination for research scholars is a regular event in CRC. The center has enabled 13 research scholars to pre-test the research work done by them in the Academic year 2021-2022. Providing off line platform support to conduct the terminal viva-voce examination for Commerce Research Scholars is

also a regular activity in CRC. The center has enabled 5 research scholars in the Academic year 2020-2021 to present their research work in its final form and get the degree awarded by the ManonmaniamSundaranar University, Tirunelveli. Many of our PG Commerce students get an insight over Research by attending the Pre-Ph.D. and final viva-voce examinations conducted in the Commerce Research center.

STAND

The unprecedented spread of the malignant epidemic Covid 19 paralyzed the regular engagements of students in the rural villages as part of their total academic formation. However, STAND reached out to the villages and identified the most deserving and vulnerable people and prepared a list with the help of the leaders of the respective villages during June and July 2021. The academic year 2021-2022 witnessed an increased number of adopted villages to 32. The STAND

Director and Coordinators visited the newly adopted villages Eduppall and Gandinagar and interacted with the people on 17.07.2021. The people expressed their happiness that the students would be going to their villages. They said that it would help the children much. (Details of villages are provided in Table No.I).

The Incubation Center which was activated in 2020-21 continued its activities during 2021-22 mainly with vermin-compost. The center promotes green and healthy environment. The Center produced and distributed over one tone of vermin-compost. The manure was used by the staff of the college and the management. Outsiders also availed the manure. Over 20 varieties of herbal plants are being grown in pots and creepers over the green house. However, it was not successful due to lack of water in summer and strong wind. The Department of Botany used the Center as a demonstration site to the students. Even it was used as support material to take online classes during COVID-19. The students of VisCom took initiative to cover the Incubation Center and some activities of STAND.

STAND conducted a webinar for all the Contact Staff of Shift I and Shift II on 01.07.2021. The objective of this webinar was to discuss them how the STAND assignment for the current III UG and II PG students who could not do the assignment due to lockdown. Fr Principal appreciated the staff for their generosity and readiness to who have come forward to serve the student community. Fr Director traced the emergence of extension in University education. The Coordinators presented a briefing of how STAND operated. After the discussion it was decided that the students would be given an orientation separately for Shift I and Shift II students. They would be taken to the respective assigned villages for one-day visit accompanied by the Staff for an exposure followed by in-campus reflection on the visit. All the students would then produce an assignment individually and submit to the concerned staff. The Coordinators would collect the assignments from the Contact Staff. (Table No. II provides the details of Staff-in-Charges).

COVID-19 relief food materials worth Rs 1000/- were distributed to 639 families in all the 31 STAND operation villages covering a total of 1736 persons. (Mallakulam was excluded as they demanded help for every family in the village). The selection of the families was done by the SHGs based on prescribed criteria given by the Organizers of the Project. 08 villages were covered on 30.06.2021 and 07 villages on 02.07.2021. On 06.07.2021, 14 villages were covered. At the request of people from Eduppall and Gandhinagar food materials were distributed on 07.08.2021. The Jesuit scholastic students from the Community were very helpful for the distribution. STAND sincerely expresses its appreciation and gratitude to the Jesuit Management Covid-19 Relief Committee and all who supported the project (The beneficiary list is given in Table No.III).

On the 25th September 2021, STAND conducted Online Orientation for Shift I and Shift II students. Shift II students had the programme from 9.30 to 11.15 am and Shift I students had the programme from 3.00 to 4.40 pm. Fr Principal addressed the students and reiterated the importance of STAND extension programme which moulds the students towards greater goal. The director of STAND traced the background of Extension in higher education starting with the report of the Kothari Commission 1966. STAND Coordinators made a PPT presentation on the operation of STAND Programme. Staff members and senior students shared their experiences and the transformative effect of STAND in the life and learning of the students which evoked confidence and basic understanding of STAND.

STAND organized a consultation meeting for the Staff-in-Charges on 11.01.2022 in the Conference Hall. Fr director after briefing the current situation explained the staff the need for organizing one-day village visits to enable the students to get a direct exposure to the naked experience of the rural life of the people. He also presented a model of activities to be undertaken by the students during their visits. After the feedback of the Staff it was agreed to follow the model which provides an analytical understanding of the villages in all its socio-economic, cultural and political dimensions.

Accordingly, a one-day village visit was arranged for both Shift I and Shift II final year students from 07.03.2022 to 12.03.2022. Besides interacting with the village people, students conducted social awareness rallies, sports activities, planted samplings, distributed Nilavembu kashayam, organized eye-checkup, gave awareness speeches and performed cultural on selected themes for rural folk and students. The department of STAND organized Social-Analysis programme for the final year MCA students on 08.04.2022 at 2.00pm in the MCA Seminar Hall. The resource persons were Dr. S. Aloysius Albert, Dept. of English and Dr. M. Johnson Gritto, Dept. of Botany (Details are given in Table No. IV).

One Day Visits

Considering the existing favorable climate and the immense formative nature of the extension program STAND decided to organize one-day visit to all the classes. In consultation with the Staff-in-Charges a schedule was prepared. The students and Staff-in-Charges of STAND started their journey towards allotted village at 08.30 a.m. The students were given orientation talk at the village before spreading into groups of 6-7. The students interacted with the people, collected information about the village under four broad areas, namely political, social, religious, and Economic. Students presented their group reports at the end of the day. The visit of the STAND director enthused and motivated the studentcommunity.

The highlights of the village visits was conducting social awareness rallies, sports activities, planting saplings, distributing Nilvembu kashayam, organizing medical camps, giving awareness speeches and performing cultural programmes based on selected themes. The visit ended with group discussion with STAND coordinators. Total number of students visited the villages are **1326**. The students were very much enthused to go to the villages and many voluntarily came forward to plan special activities for children in the villages Table No. V presents details of Activities done in the Villages).

Students were active even in the scorching sun and they waited with attractive prizes for the arrival of school children in the evening to conduct sports and games. People in many villages generously came forward to help the students with snacks and juice. Selvaputhakulam people provided tomato rice or all the 52 students. It is highly appreciated that some staff members including the HODs voluntarily participated as resource persons to the visit. They addressed the students, and shared their experiences.

Students' Sharing:

- We have learnt how people adjust themselves in the very small surrounding and live happily. The life is totally different from the citylife.
- We have witnessed the commercialization of Agricultural land into commercial plots, as a result of Agricultural failure.

- We got to know about the culture of the villagers, which differs street to street, each holding a tradition of diverse cultural backgrounds, inherited across generations.
- Most of the villagers especially women who mostly dropped out of school after Class 5 expressed their inability to access higher education due to the absence of any high school in their vicinity.
 - All the village people rely on the Government buses which stop by their village only thrice a day. Many seek alternatives to attend to their business.
 - Students became aware of the way cattle are being managed and the related problems the villagers are facing in managing the cattle. It becomes a daily struggle for the people.
 - Students were able to realize that diligence leads to a life of self-confidence.
 - Students gained the attitude of sympathy and compassion and the practical need of helping others.
 - By their direct engagement with the people in the villages, students are able to realize their potentials.
 - The development of the village can be attained only if there is proper awareness about government schemes and policies. People think of the welfare of their village on the whole and not for an individual.

STAND Coordinators did an enormous work in contacting the link persons in each village and made arrangements for the proposed visits of the students within a short period. As a confidence building exercise, the Coordinators of STAND made a contact visit to all the villages in December 2021 after the ease of the lockdown restrictions due to Covid 19. To enable the students STAND prepared a booklet with most of the welfare schemes of the governments so that the village people can access them easily. The department wishes to record its deep appreciation for the Management, Principal, the Staff-in-Charges and all those who have helped in any way for the implementation of extension in St Xavier's College.

STUDENT COUNCIL & FINE ARTS ASSOCIATION

- The Student Council organized an "Awareness Campaign against Drug Abuse" by way of conducting Essay, Poetry and Slogan Writing competitions on 22nd June 2021.
- The Student Council conducted a condolence meeting in remembrance of Mr. John Kennedy (57), Administrative Staff, who worked for 36 long years on 16.08.2021.
- Inaugural Prayer Service for the Academic Year 2021-2022 for II & III year students was held on 09 August 2021.
- On 24th August 2021, Student Council celebrated 'Women's Equality Day' with the theme "Indian Women and their Lawful Rights". A talk was delivered by Mrs. Adhilakshmi Logamurthy, Advocate, High Court, Madras and Social Activist through zoom link.
- I UG & PG Inaugural Prayer Service for the Academic Year 2021-2022 was held on 02 September 2021. After the felicitation by Rev. Frs. Rector, Secretary and Principal, Deputy Principal, Vice-Principal, IQAC Coordinator, Deans oriented the students regarding offline

classes, discipline, CBS, campus modus operandi.

- Teacher's Day was celebrated in an online mode on 04th of September 2021. The day was felicitated by Rev. Frs. Rector, Secretary and Principal. The Chief Guest of the day was Rev. Dr. Paul C. Jesuraja S.J, Student Counsellor.
- On 09.09.2021, the Student Council organized a Corona Vaccination Camp in collaboration with UPHC, Palayamkottai in Loyola Hall.
- A condolence meeting was organized by the student Council on 13.09.2021 for the untimely death of Rev. Dr. Andrew Francis SJ (60), who served our institution as the Deputy Principal for a year in 2012-2013.

XAVIER HOSTEL

The following persons are the staff of the hostel.

Rev.Fr.V.Lawrence Benedict S.J.,	- Director
Sch. Sudharson S.J.,	- Assistant Director, Xavier Block
Sch. Vigash S.J.,	- Assistant Director, Loyola Block
Mr. Balagangatharan	- Assistant Director, Nehru Block
Mr. Carroll Xavier	- Assistant Director, Gandhi Block

Xavier Hostel accommodated inmates of the hostel from 1st September, 2021. At present there are around 330 students staying in the hostel.

Enhancement of Infrastructure:

A LCD projector was installed in Mother Teresa auditorium for the need of students. All the cots that were lying idle were repaired and they were given to the students. Around 60 new cots were also bought and they were given to the students.

Agro Training for Students:

The land behind Nehru block was ploughed well and made suitable for farming. Vegetables such as tomato, lady's finger, brinjal, drumstick, radish etc., were planted and they will be used in the kitchen to prepare food for students. Students are also trained well for growing vegetables. Mushroom cultivation course was conducted in connection with AAVE. Our hostel students were highly encouraged to register themselves in this course. They were trained by our college professors on Mushroom cultivation.

Achievement:

In the last year our students have put in a lot of hard work that is reflected in their percentage of marks. We are happy to hear that the percentages of marks of many students have increased. Our hostel students have also participated in district level and state level sports tournaments and brought laurels to our college. The hostel students are encouraged to participate in all the events held in the college, both academic and co-curricular.

Literary and Cultural Competitions:

A number of art, literary, sports and cultural competitions were conducted and scheduled so as to spread throughout the academic year. Around 25 events were conducted and prizes were awarded to the winners. The students were shuffled into four teams namely Yazhi Andiran, Voice of Victory, Hapbee Chaos and Lions of Mercy. This helped them to work in groups and bring out their talents in all sorts. XAHO Blitz-22 was the theme of the competitions. Some of the competitions that were conducted was, English and Tamil Essay writing, Elocution in English and Tamil, Dance, Ad Zap, Dumb Charade, Solo and Group singing, Basketball, Volleyball, Cricket, Badminton and various other events. S.NO	GENE SEQUENCES	GENBANK ACCESSION NO
1	Muzafar Riyaz, Rauf A. Shah, Sivasankaran, K and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Lygephila dorsigera</i> Walker, 1865 ERILMC-094.	MW648384
2	Sivasankaran, K Muzafar Riyaz, Rauf A. Shah, and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Oraesia emarginata</i> (Fabricius, 1794) ERILMC-051	MW648382
3	Rauf A. Shah, Muzafar Riyaz, Sivasankaran, K and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Westermannia superba</i> Hubner, 1823 ERILMC-196	MW648383
4	Ignacimuthu, S. , Sivasankaran, K., Rauf, S. A. and Muzafar, R. 2021. Complete mitochondrial genome sequence of <i>Ischyja manlia</i> Cramer, 1776 ERILMC-089	MW664367
5	Sivasankaran, K., Rauf, S. A., Muzafar, R. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Rusicada privata</i> (Walker, 1865) ERILMC-101	MW664368
6	Rauf, S. A., Muzafar, R., Sivasankaran, K. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Blenina donans</i> Walker, 1858 ERILMC-140	MW678841
7	Muzafar Riyaz, Rauf A. Shah, Sivasankaran, K and Ignacimuthu, S. 2020. Complete mitochondrial genome sequence of <i>Eudocima salaminia</i> Cramer, 1777 ERILMC-038	MW683337
8	Muzafar, R., Rauf, S. A., Sivasankaran, K. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Hypospila bolinoides</i> Guenee 1852 ERILMC-075	MW691121
9	Sivasankaran, K., Muzafar, R., Rauf, S. A. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Artena dotata</i> Fabricius, 1794 ERILMC- ERILMC-091	MW697902
10	Sivasankaran, K., Rauf, S. A., Muzafar, R. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Actinotia polyodon</i> (Clerck, 1759) ERILMC-029	MW697903
11	Sivasankaran, K., Muzafar, R., Rauf, S. A. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Odontodes seranensis</i> Prout, 1922 ERILMC-021	MW719565
12	Rauf, S. A., Muzafar, R., Sivasankaran, K. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Sphingomorpha chlorea</i> Cramer, 1777 ERILMC-073	MW751990
13	Ignacimuthu, S. , Sivasankaran, K., Muzafar, R. and Rauf, S. A. 2021. Complete mitochondrial genome sequence of <i>Ercheia cyllaria</i> Cramer, 1779 ERILMC-111	MW751989
14	Muzafar, R., Rauf, S. A., Sivasankaran, K. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Trigonodes hyppasia</i> Cramer, 1779 ERILMC-122	MW751988.
15	Sivasankaran, K., Rauf, S. A., Muzafar, R. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Paectes cristatrix</i> (Guenee, 1852) ERILMC-146	MW846303

16	Muzafar, R., Rauf, S. A., Sivasankaran, K. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Psimada quadripennis</i> Walker, 1858 ERILMC-154	MW846304
17	Rauf, S. A., Sivasankaran, K., Muzafar, R. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Sympis rufibasis</i> Guenee, 1852 ERILMC-121	MW846302
18	Sivasankaran, K., Ignacimuthu, S. , Muzafar, R. and Shah, R. A. 2021. Complete mitochondrial genome sequence of <i>Lacera noctilio</i> (Fabricius, 1794) ERILMC-124	MW846301
19	Muzafar, R., Shah, R.A., Sivasankaran, K. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Ophiusa tirhaca</i> (Cramer, 1777) ERILMC-099	MW865752
20	Rauf, S. A., Sivasankaran, K., Muzafar, R. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Oxyodes scrobiculata</i> (Fabricius, 1775) ERILMC-068	MW865753
21	Sivasankaran, K., Rauf, S. A., Muzafar, R. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Hemichloridia euprepia</i> Hampson, 1902 ERILMC-16	MW865754
22	Muzafar, R., Sivasankaran, K., Rauf, S. A. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Episparis tortuosalis</i> Moore, 1867 ERILMC-082	MW879209
23	Rauf, S.A., Ignacimuthu, S., Sivasankaran, K. and Muzafar, R. 2021 Complete mitochondrial genome sequence of <i>Corcobara angulipennis</i> Moore, 1882 ERILMC-170	MW879210
24	Muzafar, R., Ignacimuthu, S., Sivasankaran, K. and Rauf, S. A. 2021. Complete mitochondrial genome sequence of <i>Risoba obstructa</i> Moore, 1881 ERILMC-170	MW879211
25	Sivasankaran, K., Rauf, S. A., Muzafar, R. and Ignacimuthu, S. 2021. Complete mitochondrial genome sequence of <i>Hyblaea puera</i> (Cramer, 1777) ERILMC-163	MW885970
26	Rauf, S. A., Muzafar, R., Sivasankaran, K. and Ignacimuthu, S. 2021 Complete mitochondrial genome sequence of <i>Achaea serva</i> (Fabricius 1775) ERILMC-053	MW899032
27	Muzafar, R., Ignacimuthu, S. , Sivasankaran, K. and Rauf, S.A. 2021. Complete mitochondrial genome sequence of <i>Mecodina praecipua</i> (Walker, 1865) ERILMC-145	MW899033.
