PRAYER FOR GENEROSITY (St. Ignatius)

Dearest Lord, teach me to be generous,
To serve You as You deserve,
To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labour and to ask for no reward,
Save that of knowing that I do Your will.

THE SOCIETY OF JESUS (S.J.)

The Founder of the Society of Jesus St. IGNATIUS OF LOYOLA, born in 1491, was the last child of a large Basque family in Spain. The name LOYOLA came from the ancestral castle that was the family heritage. Ignatius was trained to arms and to the etiquette of court life. He enlisted himself in the border wars with France and was badly wounded in a battle in 1521. As he lay convalescing at Loyola, he read the Gospel narratives and the Lives of Saints and was inspired to follow Christ by giving up all worldly ambitions and trappings of power and embracing a life of poverty, sacrifice and service after the example of his saintly mentors.

He began this new life at the age of 31. He spent a year of severe penance and intense prayer in a solitary cave on the banks of the river Cardoner near the town of Manresa in Spain.

He recorded his experiences in the book of the **Spiritual Exercises**, which became the soul and centre, the rule and charter of every Jesuit who came after him. Reflecting on the crisis in the Church of his time, he felt that the need of the hour was for learned and holy priests who were ready to serve the poor and to give witness to the love of Christ for men. To achieve this objective he set himself in right earnest to study from grammar school to college and university in the various Spanish centres of learning and finally took his Master's Degree from the Sorbonne University, Paris. At the same time, he won over a group of brilliant and like-minded university men (one of whom was St. Francis Xavier), moulded them by the Spiritual Exercises and welded them into a religious fraternity which soon became the Society of Jesus. In course of time, the members of the society came to be known popularly as **Jesuits**.

The Jesuits

The Society of Jesus is a world-wide organisation of religious men, numbering about 16,000 spread all over the world, of whom nearly 4000 are working in the 19 provinces and 2 regions of India. In Tamil Nadu alone there are around 500 Jesuits working

in schools and colleges, youth services and social work centres, in parishes and in mission out-reach programmes and in almost any and every form of service and ministry of the Church.

Jesuit Education - New Orientation

Jesuit Education in the Madurai Province (Tamil Nadu) today draws its inspiration from the two epoch-making statements, viz, the Vision Statement and Preamble to Jesuit Higher Education, that originated in the Madurai Province Meet of 1984.

Excerpts from the Vision Statement (Updated from the latest statement)

- "We understand that the contemporary equivalent of the mission of salvation is the integral liberation of man which is crystallised for us today in an ardent desire to work *towards liberation together with the poor.*"

- "*The preferential option for the poor* means that we cast our lot with them through concerted social action. Our love is, indeed, for all human beings, but it assumes different forms. We love the oppressed by espousing their cause and we love the oppressor by emancipating him from his greed and domination which dehumanize him."

Excerpts from the Preamble to Jesuit Higher Education 1918

- Inspired by the Christian values of joy, love, peace, and justice and guided by the characteristics of Jesuit Education, we, the Jesuits in Higher Education, resolve to liberate the marginalized from the unjust social structures. We want to empower the marginalized by making quality education available for them. Our higher educational institutions will strive to promote teaching-learning, extension, evaluation, promotion of Ignatian values and spirituality, and an eco-conscious campus, leading to integrated growth of the human person. We will try to make our students internalize the Ignatian concept of Magis and seek quality and excellence, so that they become competent in knowledge, skills and attitude, rooted in compassion towards the poor and committed to the creation of a just world.

Excerpts from the Document of General Congregation 34

- "We recognize that universities remain crucial institutional settings in Society. For the poor, they serve as major channels for

When we heal the earth, we heal ourselves - David Orr

social advancement. In and through universities important debates take place about ethics, future directions of economics and politics and the very meaning of human existence that shape our culture".

Excerpts from the Document of General Congregation 35

- The complexity of the problems we face and the richness of the opportunities offered demand that we engage in building bridges between the rich and the poor, establishing advocacy links of mutual support between those who hold political power and those who find it difficult to voice their interests. Our intellectual apostolate provides an inestimable help in setting up these bridges, offering us new ways of understanding in depth the mechanisms and links among our present problems. Many Jesuits in educational, social promotion and research institutions, together with others engaged directly with the poor, are already committed to this work.

- This congregation urges all Jesuits and all partners engaged in the same mission, particularly the universities and research centres, to continue promoting studies and practices focusing on the causes of poverty and the improvement of the environment. We should find ways in which our experiences with refugees, the poor, and the displaced on the one hand, and people who work for the protection of the environment on the other hand, could interact with those institutions so that our research and advocacy would be of practical benefit to society and to the environment.

Excerpts from the Document of General Congregation 36

We recognize the signs of God's work, of the great ministry of reconciliation God has begun in Christ... Rather than ask what we should do, we seek to understand how God invites us – and so many people of good will – to share in that great work. (Decree 1, #3]

They kill good trees to put out bad newspapers - James G. Watt

Discernment, collaboration and networking offer three important perspectives on our contemporary way of proceeding. [Decree 2, #3]

Discernment: This serves as the foundation for decision-making by the proper authority in our way of proceeding... Consistent and participative discernment is our way of ensuring that ongoing apostolic planning, including implementation, monitoring and evaluation, is an integral element in all Jesuit ministry. [Decree 2, #5]

Collaboration: GC36 expresses its gratitude to all those who contribute to and play significant roles in Jesuit ministry. That mission is deepened and ministry is extended by collaboration among all with whom we work, especially those inspired by the Ignatian call. [Decree 2 #6]

Networking: Collaboration naturally leads to cooperation through networks. New technologies of communication open up forms of organization that facilitate collaboration... When properly conceived, networking provides a healthy balance between authority and local initiative. It strengthens local capacity and encourages subsidiarity while assuring a unified sense of mission from a central authority. [Decree 2, #8]

We walk neither by ourselves nor for our own comfort; we walk with a heart that does not rest, that does not close in on itself but beats to the rhythm of a journey undertaken together with all the people faithful to God. Let us walk by making ourselves all things to all people by seeking out someone to help. [Pope Francis, addressing the Delegates of GC 36, Oct. 24, 2016]

Walking together with the young demands of us that we live authentically, with spiritual depth and that we are open to sharing the life-mission that gives meaning to who we are and what we do. Walking with the young sets us on the path of conversion – personal, communal, and institutional.

ST. XAVIER'S COLLEGE
A CENTURY OF ACADEMIC EXCELLENCE

A HISTORICAL SKETCH

St. Xavier's College is run by the Society of St. Francis Xavier, a body registered under the Societies Registration Act, (S.No.3 of 1920 - 21) having its office at Palayamkottai. In 1923 French Jesuit missionaries started this college in Palayamkottai which was once considered poor and backward. Already a Jesuit School had been functioning for nearly 50 years in this place. The Jesuit trio, the select task force, responsible for the founding of the College were Fathers **Mahe, Lebeau** and **Bonhoure**. Their zeal had created a tradition of academic excellence and universal service. Fathers **Adrian Caussanel, Gnanapragasam and Dhanasamy** played leading roles in the founding and early development of the College.

St. Xavier's College is a sylvan historian, telling a tale of sublime vision, supreme sacrifice, academic excellence and intense humanism. Established at Palayamkottai in 1923 by Jesuit Fathers of Madurai Province (Fr. Adrian Caussanel SJ, Fr. Mahe SJ, Fr. Lebeau SJ and Fr. Bonhoure SJ) with an aim of preparing generations of students who should become "men and women for others," St. Xavier's College has followed the policy of inclusive education. Learning at St. Xavier's College has always been student-centric. The academic year 2022—2023 being the centenary year, the yearlong celebrations began on 2nd July 2022 with a Mini-Marathon in the morning and the 96th Graduation Ceremony in the afternoon. The Inaugural Function was held on 9th September 2022. Hon'ble Speaker of the Tamil Nadu Legislative Assembly, Thiru. M. Appavu was the Chief Guest. The Centenary Logo focuses on "Reminisce, Rejoice, Radiate." We like to reflect on the past and rejoice because we are standing in a long line of tradition which began one hundred years ago. It is also the time for us to radiate, keeping the vision and mission of our institution.

The College became autonomous in 1987. St. Xavier's College was one of the 47 colleges selected at the national level by the UGC for the status of "College with Potential for Excellence" in September 2004. The college has successfully completed three phases of the status of College with Potential for Excellence.

Since its inception, St. Xavier's College has continued to grow academically and has expanded through the introduction of new infrastructure facilities. The NAAC Peer Team visited the College on 26th and 27th August 2019 for the fourth cycle and accredited the College at "A++" Grade with a CGPA of 3.66 out of 4. Under the new assessment system introduced by NAAC in July 2017, St. Xavier's College got the first place among all the higher education institutions in Tamil Nadu. This is a significant milestone in the history of St. Xavier's College.

St. Xavier's College, which had 25 intermediate students in 1923, has moved from strength to strength to establish exemplary landmarks in all domains, including academics, research, extra-curricular activities and outreach programmes. At present our college consists of 200 teaching staff, 90 non-teaching staff and 4600 students.

It is a matter of great pride for the Xaverian Family that over the last one hundred years of its glorious presence, St. Xavier's College has charted a distinguished path to emerge as an institution of great eminence at the national level. The alumni of St. Xavier's College such as Former Justice S. Ratnavel Pandian, Justice S. S. Sundar, Justice S. M. Subramaniam, Prof. K. R. Srinivasa Iyengar, Former Vice-Chancellor of Andhra University, Dr. W. Selvamurthy, Chancellor of Amity University, Dr. K. P. Aravanan, Former Vice-Chancellor of Manonmaniam Sundaranar University, Dr. K. Pitchumani, Former Vice-Chancellor of Manonmaniam Sundaranar University, Dr. P. Manisankar, Former Vice-Chancellor of Bharathidasan University, Dr. P. Ramasamy, Former Vice - Chancellor of Alagappa University, Rev. Bro. M. Velankanni, Superior General, Brothers of the Sacred Heart of Jesus, Dr. Jebamalai Vinanciarachi, Former Advisor, UNIDO, Mr. Vaiko, MP, Mr. Su. Thirunavukarasar, MP, Mr. S. Peter Alphonse, Chairman of State Minorities Commission, Tamil Nadu, Mr. M. Malik Feroz Khan, Former Collector of Thoothukudi District, Mr. D. Prakash, ADGP of Police, Uttar Pradesh, Mr. K. Murugan, Former Secretary General, Volleyball Federation of India, Mr. Valampuri John, Former MP, and Mr. Vijay Antony, Actor-Music Director, have brought laurels to our institution.

We want our centenary to be a chance to pause and reflect on our past and also be a time to look forward with the Ignatian principle of MAGIS.

COAT OF ARMS

The three branches of palm leaves on the right side of the emblem signify that our institution is situated in Tirunelveli District. The ear of rice corn arched on the left side of the emblem represents Maruthanilam. The local symbols connected by a cross highlight the fact that ours is a Christian Institution. At the top of the cross, the college motto, *Veritate Lumen et Vita* (Light and Life through Truth) is inscribed. The shield at the front of the cross, has two divisions. On the right IHS, the Jesuit motto, is inscribed. The squares on the left indicate the spiritual, moral, emotional and intellectual development that education fosters in a person. The emblem thus means that St. Xavier's College is a Jesuit institution of higher learning established in Tirunelveli District for the all-round development of its pupils.

NATURE AND AIM

The Jesuit College aims at the training of young men and women of quality to be leaders in all walks of life so that they may serve the people of our nation in truth, justice and love. Accordingly, this College is to be an agent of social change, instilling in the youth an awareness of the great need in our country of social justice based on brotherhood and dignity of the human person. Thus it aims at making its own contribution towards a transformation of the present social condition so that justice, equality and the moral values enshrined in the Constitution of India may prevail in the daily life of every citizen.

The aim of St. Xavier's is the sound formation (religious, intellectual, social and physical) of the young based on Christian principles. Every student is required, therefore to attend Catholic Doctrine (for Catholics) or Ethics (for others) classes, and classes on social analysis and personality development through which students are motivated to such sound formation and integral growth. They are also expected to take part in the extension service programmes organised by the College.

AUTONOMY

In recognition of its service and to increase its efficiency still further, autonomy has been conferred on St. Xavier's College with effect from June 1987. In the autonomous system, this College is free to design the course pattern, frame its own syllabi for the various courses and adopt suitable methods of teaching and evaluation. The College is an affiliated First Grade College of the Manonmaniam Sundaranar University which will award degrees with the name of St. Xavier's College mentioned on the certificate.

In August 2019, UGC Expert Committee visited St. Xavier's College and extended Autonomy from 2019 to 2024, including ex-post-facto approval for 2018-2019.

ACCREDITATION BY NAAC

NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) assessed and accredited the college in 2000 and awarded FIVE STAR GRADE in the first cycle. NAAC assessed the college in the second cycle and awarded "A" Grade in 2006. NAAC accredited the college in the third cycle at "A" Grade with a CGPA of 3.50 in 2012. Based on the accreditation in the first three cycles MHRD classified the institutions into high performing institutions and extended the validity of Accreditation period from 5 years to 7 years in respect of high performing institutions. The college was one among the few institutions which enjoyed the privilege of getting the extension of the validity period of NAAC accreditation from five years to seven years for third cycle. NAAC assessed and accredited the college under the Revised Accreditation Framework (RAF) at "A++" Grade with a CGPA of 3.66 out of 4 in 2019 in the fourth cycle with the validity period of 7 years. It was a proud moment to note that the college received the highest score among the Arts and Science Institutions category in September 2019 under the new RAF introduced by NAAC in July 2017.

COLLEGE WITH POTENTIAL FOR EXCELLENCE

UGC conferred on our College the status of "College with Potential for Excellence" in 2004 and for the second cycle in 2010. UGC extended the status of College with Potential for Excellence (CPE) for the third phase in 2014.

CHOICE - BASED CREDIT SYSTEM

While the Tamil Nadu State Council of Higher Education (TANSCHÉ) came forward to introduce CBCS in all the affiliated colleges in Tamil Nadu in June 2008, St. Xavier's College had already introduced CBCS as early as June 2002 for UG courses and in June 2003 for PG courses. The aim of the Choice Based Credit System is to provide ample choice of subjects to students, based on the weighted credit point system. This system offers the learners a chance to match their aptitude and interest with the subjects of their choice and learn at their own pace. Thus St. Xavier's College gives every student an opportunity to study his/her respective course and pursue other courses from any other discipline simultaneously.

ESSENTIAL FEATURES OF CBCS

- Standardization of degree courses to internationally accepted levels
- Focus on skill-based curriculum
- Emphasis on value education
- Institution - Industry collaboration
- Provision for earning more credits
- Development of communication skills

Prayer for Generosity

Lord, teach me to be generous,
to serve you as you deserve,
to give and not to count the cost,
to fight and not to head the wounds,
to toil and not to seek for rest,
to labour and not to look for any reward,
save that of knowing that I do your holy will

A student must take at least one CIA test out of two tests and must fulfill at least one mode of assessment among assignments, quiz, seminars, etc. Otherwise he/she will not be permitted to write the semester examination
2. Retest: If a student is absent for CIA tests with valid and genuine reasons, and if the student applies for CIA retest within a week to the Principal through the Head of the Department, he/she will be given a chance to write the CIA retest. When the Principal gives permission, the HOD will make arrangement for conducting CIA retest within ten days after the first internal test and before the CIA publications for the second internal test.
3. For all UG courses, the pass minimum is 20 marks out of 50 in the external examination and 40 marks out of 100 in the aggregate, that is, internal and external together.
4. For PG and Diploma Courses, the pass minimum is 25 marks out of 50 in the external examination and 50 marks out of 100 in the aggregate, that is, for internal and external together.
5. The number of practicals for practical papers will be decided by the department. At the end of the Semester/Year, Semester Exam for Practical papers will be conducted. The pass minimum is the same as for the theory papers.
6. The internal and external marks will be computed for 50 for each paper and the consolidation of these internal and external marks will be for 100.
7. For all the courses under Part IV (NME / SBE / VE / EVS), the duration of Internal Test is 1 hour and the duration of Semester Examination is 2 hours.

External Examination

External examination will be of three hour duration for all the theory and practical papers except NME / SBE / VE / EVS papers. Every theory paper for UG Courses will have objective type questions for 20% of the marks.

ATTENDANCE & REPEATING THE SEMESTER

Attendance in this college is compulsory. A student must put in a minimum of 80% attendance to be eligible to write the semester examination. Students who are not eligible to appear for the examinations of a particular semester due to lack of attendance will not be permitted to attend classes and write the examination in the subsequent semesters. They will be eligible to repeat the semester only in the concerned odd / even semester of the following academic year. This becomes applicable for students who are admitted from June 2017.

Each student is required to have a minimum of 80% attendance every semester. If a student is absent for one hour, he/she will lose attendance for half a day. If a student is absent for two hours or more, he/she will lose attendance for the whole day.

The grant of condonation is at the discretion of the Principal. The Principal may condone shortage of attendance for a semester. In order to apply for condonation on medical grounds, prior permission from the Principal either during the treatment or prior to the treatment is compulsory. Producing medical certificate without prior permission will not be considered for condonation. A student can avail condonation only once during the course of study.

SEMESTER EXAMINATIONS

Theory:

In general, all theory question papers for semester examinations will be set by external examiners. While there is single valuation for U.G. answer scripts, there is double valuation for P.G. scripts, with the subject teacher being one examiner and an external examiner being the second. If the difference of marks between the two valuations is 20 and above, the scripts will be sent for third valuation and the average of the closest two marks will be taken.

The students who have papers in arrear are permitted to write their even semester papers in the even semester examination and odd semester papers in any semester examination. A student can write a maximum of 8 papers in arrear (6 theory+2 practicals) in any semester examination.

THE TIME LIMIT FOR COMPLETION OF COURSE

The maximum number of semesters within which a student must complete and qualify for a degree will be equal to twice the number of semesters of the regular program. Hence for UG and MCA it will be 6 (3+3)years; for PG other than MCA it will be 4 (2+2) years; for M.Phil. it will be 2 (1+1) years. This rule has come into effect

A smile is the beginning of peace - Mother Teresa

from the 2013 Batch of UG and MCA students, 2014 Batch of PG students other than MCA students and 2015 Batch of M.Phil. students. All earlier Batches of UG, PG, M.Phil. students of St. Xavier's College must have completed and qualified for the degree not later than the semester examination in April 2018. A candidate is permitted to appear for a maximum of 15 theory papers in the final semester including the papers in arrear.

PRACTICALS

A student should do a minimum of 75% of the practicals arranged by the class teacher and submit the record note book to be eligible to appear for the practical examinations. The minimum mark required for a pass is the same as for the theory papers. The semester/year-end practicals for both UG and PG candidates will be conducted by the teacher-in-charge of practicals for the class, assisted by another teacher of the department who has not been handling practicals for that class. The latter takes the place of the external examiner. For absentees and failed candidates who wish to take the practical examinations again, the odd semester practical papers will be offered in the odd semester and the even semester papers in the even semester. However, in the final semester, students may apply for appearing for a maximum of 3 practicals of any semester in arrear.

RESULTS

After the semester examinations, the results will be scrutinized by the Awards Committee. Students will be given a mark sheet for every semester examination. At the end of the course, a consolidated mark sheet of the final results based on weighted credit point system will be awarded to each student.

SUPPLEMENTARY EXAMINATIONS

Supplementary examinations will be held for final year regular students who have appeared and failed in any of the semester theory papers and have only 3 papers in arrear to get their degree. The supplementaries will be announced after the year-end results are published. Examination fee has to be paid as prescribed by the College for the Supplementary Examinations.

RETOTALLING / REVALUATION

Retotalling is permitted for UG students who apply for it within the stipulated time on payment of a prescribed fee. Revaluation is permitted only for the UG papers for which the student has appeared as a regular candidate.

CIA IMPROVEMENT

If a student fails to obtain a pass mark in the aggregate of both CIA and Semester Examination (40% for UG and 50% for PG), he/she may appear for CIA Improvement in the final semester.

In order to appear for CIA Improvement, he/she should have passed the Semester Examination.

CIA improvement will be conducted by the Controller of Examinations.

A student can appear for CIA improvement only once. CIA improvement cannot be repeated.

SANCTIONS AGAINST MALPRACTICE

Students should evince utmost honesty and good behaviour during the conduct of the examinations. They should keep silence in the examination hall and cooperate in the orderly conduct of the examinations.

If any student is caught indulging in malpractice even in one regular or arrear paper in a semester, it will lead to cancellation of his/her result of all the regular and arrear papers of that semester. Malpractice in any practical examination will lead to the result of cancellation of that practical. The student can reappear for those papers / practicals in the next odd / even semester only, as the case may be.

If a student is found indulging in malpractice in any CIA tests, the case will be brought to the notice of the Principal. The student will be awarded zero for that semester and he/she cannot appear for Semester Exam in that Semester for that paper. Serious action will be taken by the Principal if the student is caught again for malpractice.

It may not be out of place to insist that all our students must be honest in their behaviour and activities; so much so, the degree that he/she will get will be worth the paper on which the certificate is given. Attention is drawn in particular towards doing one's work - be it a class test or assignment - without copying from another person's work or just downloading it from the internet.

OUTREACH PROGRAMME: STAND
(Student Training and Action for Neighbourhood Development)

The modern emphasis on taking University Education to the village so that the poor of the rural areas may benefit from the fruits of research, teaching and learning in our institutions is the sole aim of this pioneering outreach programme STAND introduced in the academic year 1993-94. The primary objective of this programme is to contribute to the total development of people through awareness and training. It aims at creating a sense of social justice and social concern among the students through exposure to rural realities leading to a committed involvement towards the integrated development of the rural poor.

In the history of nearly 100 years of our college, STAND, the outreach programme, celebrated its Silver Jubilee (1993 - 2018) in the academic year 2018-19.

This is a compulsory programme in which all II year UG and I Year PG students are required to participate and it earns one credit for UG and two credits for PG students. A fee of Rs. 70/- will be collected from each student right at the beginning of the first year for incidental and travel expenses of the whole one-year programme.

Every Department will be allotted one village situated around Palayamkottai within a radius of 20 to 25 kms. After an orientation programme, the students will be required to visit their "adopted" villages and interact with the people at regular intervals. This involvement and exposure, under the guidance of the staff, will make their learning socially relevant and useful both to the villagers and to the students. Each department will have one member of the staff as contact person to whom the students could refer matters concerning this village programme. The main activities that will be taken up by STAND are 1. Environment; 2. Literacy; 3. Health and Nutrition; 4. Helping the villagers to attend to their basic needs like drinking water, electricity, transport, patta for housing, road-laying etc., by contacting Government and Voluntary agencies.

Holders of fee concession and of scholarships of any kind are also bound by all the regulations mentioned above.

b) Jesuit Education Supports (JES):**Fee concession and scholarships (for both UG & PG students of aided courses) :**

The management and the Government, both state and central, have come forward to help students in their study in various forms. Eligibility conditions are announced as and when needed through notices to the students. Forms will be issued in time to students at the College office. These scholarships and concessions should be applied for only after the student pays the first semester fees in full and enrolls in the college. Students Aid Fund : Those who do not get any Government Scholarship and who are in need of some financial help may meet the Student Counsellor and really deserving students will be helped on his/her recommendation.

In addition, our students are encouraged to donate **ONE RUPEE PER DAY**. Class representatives collect the money every Friday. The amount so collected goes to help poor students especially when they are hospitalized or in other dire need. It should also be added here that some members of our Staff have been silently helping needy students towards their tuition fees, examination fees and the like. We encourage more members of the staff and students from well-to-do families to follow such a noble gesture.

Breakfast and Mid-day Meal Scheme

St. Xavier's College caters to the need of the students by means of Government and Management scholarship programmes, helping poor students through "One Rupee a Day Scheme", vocational training programmes, and so on. Mid-day Meal Scheme for Day Scholar students is a unique and productive initiative and many students are benefitted. The college attracts students from far and wide of four civil districts of Tamilnadu, namely, Tirunelveli, Tenkasi, Tuticorin and Kanyakumari. Since the Shift-I classes begin at 08.30 a.m., the Day-Scholar students who rush to reach the college skip breakfast in the morning. The dire consequence of skipping breakfast due to travel, makes them tired, keeps them sick and leads them to inattention to the classes.

Thus, in order to facilitate their studies, strengthen their wellbeing, and energize their mind, we have created "**BREAKFAST SCHEME FOR - DESERVING POOR DAY-SCHOLARS**" and **MID-DAY MEAL** for the poor and deserving students of St. Xavier's College.

Information and Communication Technology Policy

St. Xavier's College provides computer and Internet resources to its students, teaching and non-teaching staff members as a means of enhancing the quality of learning efficiency and productivity. In the context of emerging blended learning, Information and Communication technologies help the users to access academic and other resources for the efficient production and submission of educational requirements and any other work tasks in all levels, viz., global, national and local. The new and growing ICTs that throw every user open to ample advantages such as enormity of information, anonymity while connected, and instantaneous communications, may also put them into dangerous disadvantages such as using the devices and the connection to be used as a tool, target or both to commit deviant and illegal activities. The ICT users in the campus need to be aware that they are rather radically transparent when connected and there are all the more chances to fall a prey to credulity.

In such a context, the management expresses its concern to establish a set of standard code of conduct for a safe and responsible use of the Internet and to bring forth a policy that will bind everyone - the teaching and non-teaching staff members and the students - in the campus. Violating the code of conduct, knowingly or unknowingly, attracts a legal course of action.

1. The users are requested to apply their rational and moral conscience and judgment while staying on the Internet.
2. The Internet is to be used only for educational and job-related employment purposes.
3. The Internet is not to be used for personal and commercial purposes.
4. The Internet is not to be used to access or to disseminate illegal, objectionable or obscene materials.
5. The Internet is not to be used to access or process pornographic and sexually explicit materials or any material that depicts dangerous and extreme violence.

6. In case of necessity to use chat box, the users shall not use abusive, vulgar, threatening or bullying messages.
7. The users shall not post any message that poses danger to the sovereignty of the nation, the dignity of the individual and reputation of the institution.
8. Hardware or software in the college shall not be modified or abused in any way.
9. The college will not hold responsibility and liability for any virus that would damage any personal device.
10. Proper care should be taken in respecting the copyright and other intellectual property rights. Inappropriate use might lead one to fraud, plagiarism, etc.
11. In case of need, the college reserves the right to record or stop a computer session at any time. It also reserves its right to surveillance of the Internet usage (private or common) of everyone in the campus.
12. College computers in the campus should not be used for downloading any personal material or installing any files or programmes or for hacking any other device. The documented academic and official materials can never be deleted without the explicit permission of higher authorities. The different passwords used for the protection of official devices are to be shared only with the Secretary and Principal.
13. College official website shall never be tampered with an intention of hacking/deleting or intruding into the official matters.
14. No one is permitted to take photograph or video related to anything or anyone in the institution. It should be done only with the explicit permission of Secretary or Principal.
15. No photograph or video related to the institution - management, staff, students, college emblem, college images and so on - can

be circulated through email or any social network sites to the public, intentionally or unintentionally, without the permission of the Secretary or Principal in the campus.

16. The students are not allowed to use their mobile phones in the campus.
17. The staff shall restrict the use of mobile phone during the office hours only for official purposes. Particularly, during the class hours and examinations, no one is permitted to use the mobile phones.
18. The violations of this policy shall attract strict disciplinary procedures upto termination and, if it is necessary, the college will report to law enforcement authorities any activities that may be considered illegal. The college will cooperate fully with local, state or Central Govt. agency officials in any investigation concerning or relating to any illegal activities conducted using the college network or any private networks within the campus.
19. The college reserves its right to review and deal with any alleged violation of its policies on a case-by-case basis.

This policy came into effect in the academic year 2021 - 2022.

“Today our (Society of Jesus) prime educational objective must be to form men (and women) for others; men (and women) who will live not for themselves but for God and his Christ - for the God-man who lived and died for all the world; men (and women) who cannot even conceive of love of God which does not include love for the least of their neighbors; men (and women) completely convinced that love of God which does not issue in justice for others is a farce.”
